FOUNDER - CHANCELLOR

As the Chancellor of Bharati Vidyapeeth University I extend a very warm welcome to the students who are desirous of seeking admissions in our different Constituent units.

Bharati Vidyapeeth, the parent organization of this University has recently celebrated its Golden Jubilee. Five decades ago Bharati Vidyapeeth initiated its academic journey with a single school. Now it is one of the premier educational institutions in the country, having under its umbrella more than 180 educational units including 80 colleges of 12 faculties. They include colleges of Medicine, Dentistry, Engineering, Pharmacy, Hotel Management and the like. There may not be any disciplines either conventional or emerging for which Bharati Vidyapeeth has not established its institution.

Within a short period of 22 years or so, Bharati Vidyapeeth University has established its academic reputation even across the national borders. Its high level of academic excellence is underscored by the fact that the Ministry of Human Resource Development, Government of India has given 'A' grade status to this University. The University's another remarkable achievement is that it has been awarded a prestigious 'A+' grade by the NAAC in 2017 and accredited and reaccredited with

'A' Grade by NAAC in 2004 & 2011. An approval by the UGC under Section 12B of its Act which our University has received is another feather in the cap of the University.

We at this University are committed to offer our students a wide spectrum of academic options to choose from.

It has also been our endeavour to provide continuously updated education in a congenial environment to our students. I am very happy that a very large number of our past students have established their reputation as Medical Practitioners, Engineers, Pharmacy Industrialists and the like, not only at the national level but also at the international level. Research is a focal area of activities of our University. We have three Research Institutes as constituent units of University. They are doing remarkable work. Our aim is to develop this University ultimately as a Research University.

I again welcome you all and wish you a very successful academic career as students of this University.

Dr. Patangrao Kadam

FOR ADMISSION TO

Ph. D. Degree Programme

At

Bharati Vidyapeeth Deemed University, Pune

From the Desk of Pro Chancellor

Hon'ble Prof. Dr. Shivajirao Kadam

Pro Chancellor

M.Sc., Ph.D.

Dear Students,

At the outset, let me welcome all of you who are intending to join our University.

I am extremely happy to note that you have selected our University for your further studies. All of you know that Bharati Vidyapeeth University is one of the leading Universities in the country having 'A' grade awarded by Ministry of Human Resource Development, Government of India.

It is also accredited with prestigious 'A' grade in 2004 and reaccredited with 'A' grade in 2011 by the NAAC, Bangalore and accredited with prestigious 'A+' Grade(3rd cycle) in 2017 by NAAC. It is also significant to note that some of its constituent units have ISO 2001-2009 certification. Our University has excellent infrastructure for all its constituent Institutions such as well-structured spacious buildings, continuously updated laboratories and hostels with all necessary amenities and facilities.

Today, the horizons of knowledge are expanding exponentially. It is, therefore, a challenge to cope up with this vibrant system of higher education and Bharati Vidyapeeth University is well-equipped to impart latest training and education to its students. We are committed to provide excellent teaching, learning and research under its 12 faculties. The University continuously updates the courses of studies being taught in our constituent Institutions, keeping in view, the rapid changes and

dynamism around. Our libraries are continuously updated. The University ensures not only high quality training, education in the respective areas of knowledge to the students, but also places emphasis on all-round development of the students. Abundant opportunities are also provided for co-curricular and extracurricular activities on the campus. In the discharge of its social obligations, the University is, no doubt, committed to see that the students graduating from this University are well-trained and well-prepared for jobs and become responsible citizens of the country.

The track record of the achievements of the University is indeed commendable. It is a matter of pride for us that scores of our students have achieved successes in their respective fields and established themselves in different spheres of life. We are aware that the success of any University largely depends on the number of successful students, it produces for the service of the society and the nation.

We, therefore, take every care for your bright future career and help you to translate your dreams into reality.

Once again, I take this opportunity to welcome all of you to the family of Bharati Vidyapeeth University and wish you success in your life.

Vice Chancellor

It is a matter of immense pleasure for me to be a part of the Bharati Vidyapeeth Deemed University family as its Vice Chancellor. I take this opportunity to welcome all new students joining the university as Ph.D scholar. At this juncture, I would like to congratulate you for having reached this point in your academic journey. As a research scholar, you have a huge responsibility and a vast course work to accomplish in order to achieve your coveted degree. You can look up for any guidance, support and help in your mentors and the seniors in order to move ahead in life and excel in your field.

In terms of credentials, we, at Bharati Vidyapeeth Deemed University have a diverse group of students, representing many different states, cities, countries, hobbies, talents and ideas. However, for all our differences, we are united in our shared passion for knowledge in all our campuses and in all the faculties of teaching and learning. We feel delighted and privileged to be part of the Institution which bears the ideology of "Social Transformation through Dynamic Education".

Many senior faculty members of the university receive invitations to be resource persons for national and international conferences. They are also invited to share their views in designing syllabus and curriculum at the respective statutory council. Research is an inclusive part of teaching and our faculty members

have, to their credit, research papers published in indexed journals of repute. Active interaction between faculty, other academicians & professionals in the field by way of seminars, workshops give the students variety of experiences. The university has an extensive network of collaborations and linkages with a large number of national and international universities of repute.

The campus is ICT enabled and the colleges provide an e-learning and e-connect environment, alongwith class coordination system, document management system as well as virtual class rooms. The university is situated in a serene environment. The serenity alongwith a complex structure of curricular, co-curricular and extra-curricular activities will shape your physical, mental and intellectual growth. As a doctoral student of the university, you are the torch bearers of the created knowledge in order to bring in positive change, towards a direction that will develop sustainability of the system.

I, wish and assure you, on behalf of the University family, that we will help you pursue your objectives of life under the varied social, cultural and economic environment and make the University family proud of your attainments.

- 7.5. The Ph.D. scholar has made a presentation before the concerned Research Advisory Committee based on a draft of the thesis and he/she has suitably incorporated the feedback and comments, if any, into the draft thesis.
- 7.6. While submitting the thesis the research scholar and the research supervisor shall submit a certificate attesting to the originality of the work and vouching that there is no plagiarism and that the work has not been submitted for the award of any other degree/diploma of this university or to any other institution. The facility for checking plagiarism is made available at the concerned research centre. The research scholar has to produce the certificate of the same and submit it along with the thesis to the university.
- 7.7. After fulfilling the above mentioned conditions, the Ph.D. scholar shall submit to the university, four hard copies along with soft copies of the thesis duly recommended and endorsed by his/her research supervisor. The copies should also include all the mandatory certificates and declarations.
- 7.8. The thesis should contain a declaration from the research scholar that the work presented in his/her thesis is an original work and has not been submitted earlier for an award of any degree or diploma. It should be clearly mentioned in the declaration that whatever material he/she has borrowed from other sources and incorporated in thesis has been duly acknowledged. It should be specifically mentioned in the declaration that the student will be held responsible and accountable for an evidence of plagiarism, if any, detected later on.
- 7.9. The open viva-voce examination of the research scholar to defend the thesis shall be conducted only if the evaluation reports of the external examiners on the thesis are satisfactory and include a specific recommendation for conducting the viva-voce examination. If the evaluation report of any one of the external examiners is unsatisfactory and does not recommend viva-voce, the university shall send the thesis to another external examiner out of the approved panel of examiners and the viva-voce examination shall be held only if the report of the latest examiner is satisfactory. The thesis shall be rejected and the research scholar shall be declared ineligible for the award of the degree, if the report of the latest examiner is also unsatisfactory.
