FRESHMAN INDUCTION PROGRAM

Bharati Vidyapeeth (Deemed to be University) College of Engineering, Pune congratulates you for selecting this institute as your preferred destination for Engineering Education. This institute is committed for excellence through quality education and transforming young mind into able professional technocrats to make them ready for the Industry 4.0 and preparing students for grooming their personality in a holistic manner.

To be skilled technocrats and professionals, the students are required to acquire certain other skills besides technical knowledge. These skills help to climb the ladder of success. BV(DU) College of Engineering has taken initiative to make the students acquainted with the skills required for being a successful professional.

The intensive induction program for the freshers namely "FRESHMAN INDUCTION PROGRAM" is organized by the institute during 12th October to 14th October 2022 to all the students of B. Tech - First year Engineering.

The Induction Program will extensively cover all the aspects related to Analytical and Critical Thinking, Universal Human Values (UHV), Time Management and Stress Management, Soft skills, Placements, Trainings etc. which will explore the holistic outlook of students.

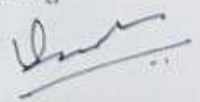

Following program wise groups are formed for smooth visit to Central Library.

Group-A Computer Engineering, Electrical and Computer Engineering, Civil Engineering and Chemical Engineering

Group-B Computer Science and Engineering, Computer Science and Business Systems, Electronics and Communication Engineering

Group-C Electronics and Telecommunication, Information Technology, Robotics and Automation and Mechanical Engineering

You are therefore requested to make a note of the program and attend as per schedule. I am sure this program will guide you for your career planning and help in making yourself employable. Please be noted "FRESHMAN INDUCTION PROGRAM" is mandatory to all students of B. Tech - First year Engineering.
