He said that during his college time campus was under constructions hence only few class rooms and small laboratories with very few computers. He also added about his hardworking and bright thinking helps him to rich this stage. He also thanks to their teachers for their hard efforts. He thanks Institute in building the leadership qualities in him by which today he is running Oracle Corporation big computer company at USA . he also promise to the Principle that every year for the Bharati Vidyapeeth Students he will helps in placements as well as curriculum development , higher studies and inplant training.

Mr Rajesh Harekal, Director Oracle Corporation Based USA, addressing the Alumni

Mr. Paresh Rathod , CEO, Swastik Group Enterprises,Pune Alumni from production Engineering said about his development from college to become business man as he is also from first batch of Production Engineering. He thanks Institute in building the leadership qualities in him by which today I he is running two Auto Industries. He appealed all Alumni that we all should be a part of the development of students, making them employable and entrepreneurs of tomorrow. So everyone must be participate in this activity. As the initiative he

promised to place two students every year in his company. He thanks to Management for the state of Art Infrastructure and facilities provided to all.

Mr. Kamal Bhatia M.D and Owner Wide Computer Systems LLC Dubai said that due to Digitization all the sectors are coming closer and closer by which the information exchange and decision making has been accelerated. By these means 2020 India can be the world economy and will compete the other developing countries. Facebook, Internet and What App have brought easy means of transferring the ideas and thoughts as a result Information Technology sector development is growing 16 % in India.

So he appeal to all that digital technology is growing very fast in all the areas, so he focused on the business opportunity in this sector and promised to help in developing the student in this area and develop good entrepreneur in this sector.

Alumni of Computer Department Batch 2007 **Mr. Abhishek Yadav**, developed news cloud i.e Alma Mappers by which all the alumni can be in the contact and share the information. He informed that 3800 Alumni has been joined to the cloud and appealed all the alumni to join the same.

Mr. Alumni of Production 2001 Batch thanks Institute for developing the leadership qualities and involve in placement activity.

Mr. Khole Alumni of Information Technology batch 2007 promised for networking activities of the institute.

Dr Anand Bhalerao ,President, Alumni Association and Principal BVUCOE, Pune welcome and thanked all the Alumni who came from all the parts of the country to attend this meet. He was happy listening to the progress of Alumni and said that today the vision statement “Social transformation through dynamic education” has come into the reality.

He said that we have 7000 registered alumni if only 10% alumni come ahead for the placement we can do 700 placements. Presenting the progress of Institute, he appealed to the Alumni to contribute in terms of student placement, research project, industrial training and students project . He added the urgent need of the institute for which he requested the Alumni to come to the institute and share their experience and success stories to mentor the present students.
