## **COLLEGE OF ENGINEERING, PUNE**

### **IEEE STUDENT BRANCH**

#### **FROM THE DESK OF MRS. S.P. TONDARE:**

**COUNSELOR, IEEE STUDENT BRANCH, BVU COLLEGE OF ENGINEERING,  
PUNE**

IEEE stands for the Institute of Electrical and Electronics Engineers, it is a professional association with its corporate office in New York City and its operations center in Piscataway, New Jersey. It was formed in 1962 from the amalgamation of the American Institute of Electrical Engineers and the Institute of varied engineers. Today it is the world's largest association of technical professionals with more than 4, 30,000 members in chapters around the world. Its objectives are the educational and technical advancement of electrical and electronic engineering, telecommunications, computer engineering and other allied disciplines.

- The IEEE provides learning opportunities within the engineering sciences, research and technology. The goal of the IEEE education programs is to ensure the growth of skill and knowledge in the electricity – related technical professions and to foster individual commitment to continuing education among IEEE members, the engineering and scientific communities.
- The IEEE includes 38 technical Societies, organized around specialized technical fields, with more than 300 local organizations that hold regular meetings.
- IEEE produces over 30% of the world's literature in the electrical and electronics engineering and computer science fields, publishing well over 100 reviewed journals.

- The IEEE is dedicated to advancing technological innovation and excellence. It has about 4, 30,000 members in about 160 countries.

### **IEEE STUDENT BRANCH, BVUCOEP**

IEEE Student Branch, BVUCOE, Pune organizes various interactive seminars and workshops to imbibe the spirit of innovation in the minds of students. The students also get plenty of opportunities to showcase their talent and skill in various competitions organized by the only internationally acknowledged technical organization within college – IEEE. In addition to this IEEE students get the benefit of accessing various online technical journals which gives them an edge over the latest growing technologies around the globe.

### **OUR MOTTO**

- Opening doors to new and innovative ideas in the field of technology.
- To develop skills for a technical approach towards the technology used around us every day.
- Enhancing professional skills to be used in the real world.

### **OUR SUCCESSFUL EVENTS**

- QUESTIONARIO '14 - Quiz competition organized in BVUCOEP in which enthusiastic students from all over Pune competed for the top spot.
- SEMINAR BY SYMANTEC – Seminar on Mobile Security which received enormous support from students willing to secure their phones, laptops and other portable devices.

ANYONE PASSIONATE ENOUGH TO BRING THEIR IDEAS TO LIFE IS WELCOME TO JOIN US AT IEEE STUDENT BRANCH, BVUCOEP.

**COME JOIN US AND BE A PART OF THE LARGEST TECHNOLOGY ORIENTED PROFESSIONAL SOCIETY.**
