

BHARATI VIDYAPEETH DEEMED UNIVERSITY

COLLEGE OF ENGINEERING, PUNE.

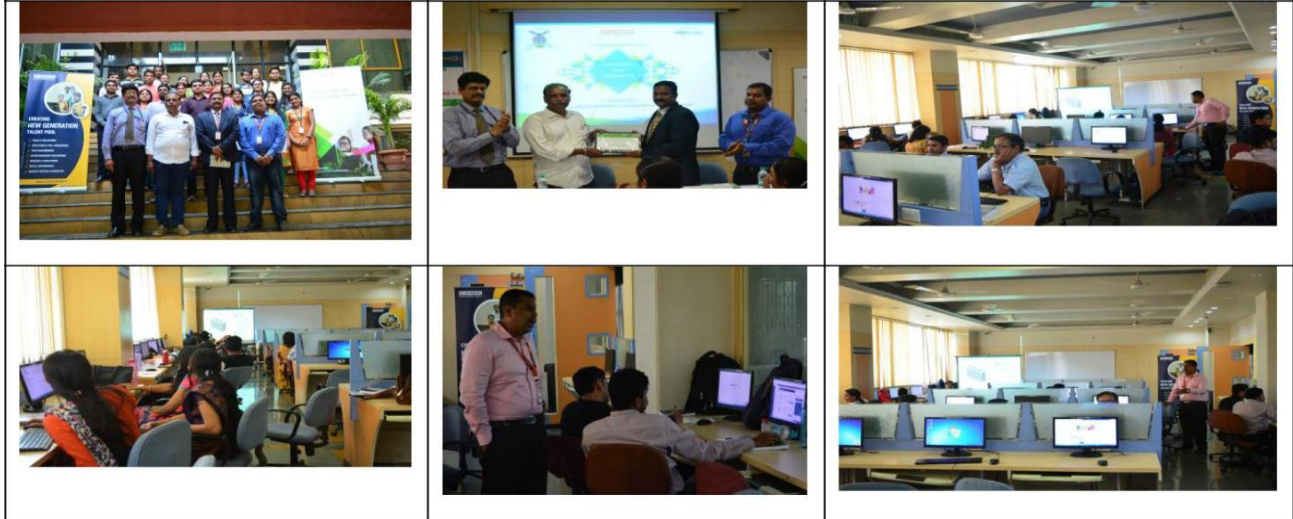

Department of Computer Engineering

Seminars / Conference / Workshops / Training Programmes Organized:

Date	Type of Knowledge Event	Name of the Programme	Association	Resource Person
6 th - 8 th October 2016 (03 days)	Workshop	Cyber Security and Forensic Tools	Engineering Staff College of India, Hyderabad	1. Miss S. Neeru 2. Mr. Naveen H.V. 3. Mr. Ashok.T. (Experts from Truth Labs, Cyber & Audio-Video Forensics, Bangalore)
16 th - 18 th November 2016 (03 days)	Workshop	IBM Rational Software Architect	WebTek Labs Pvt Ltd, New Delhi	Mr. Satya Prakash, Master Trainer
21 st - 25 th March 2017 (05 days)	Faculty Development Program	Virtualization using vsphere 6.0	ICT Academy and VMware	Mr. Shanmughavel Master Trainer
20 th - 26 th March 2017 (07 days)	Staff Development Program	Computer Maintenance and Troubleshooting	Aspire	Mr. Vikram Thitte Master Trainer

Name of the event	: Faculty Development Program on Virtualization using vsphere 6.0
Type of the event	: Faculty Development Program
Name of the Faculty Member(s) involved	: Dr. Naveenkumar Jayakumar Dr. D.M. Thakore (HoD)
Date	: 21 st to 25 th March 2017
Venue	: BVUCOEP (Library Building)
Number of participants	: 31
Brief about the event	: The Department of Computer Engineering of BVDU College of Engineering organized TEQIP-II sponsored Faculty Development Program (FDP) on “Virtualization using VMware vsphere 6.0” from 21 th to 25 th March 2017 in association with VMware and ICT Academy. The event was result of the support and motivation provided by Prof. Anand Bhalerao, Principal, BVU College of Engineering, Pune. This intensive five days FDP had seen around 31 participants actively having their hands of experience. The participants were trained and were given practical understanding of virtualization platform like vsphere 6.0 and its operations. Participant also explored their hands on creating and managing virtual infrastructure. On the first day, Organising secretary and head of the Department Prof. Dr. D. M. Thakore invited Master trainer Mr. Shanmughavel and introduced him as well as welcomed all the participants for this FDP. Soon the session started off with introduction to virtualization and the various tools for realizing the virtualization technology in real time. The next sessions in and tools. The five days FDP concluded with the valedictory function chaired by Prof. Shashank Joshi, Dean, Faculty of Engineering and Technology, Bharati Vidyapeeth University, Pune, Dr. D M Thakore, Organizing Secretary, Mr. Prashant M K, General Manager (North and West Region), ICT Academy and Mr. Shanmughavel, Master Trainer. On this occasion, VMware, a global pioneer and a product company in the field of virtualization, awarded VMware IT Academy status to BVU College of Engineering, Pune, which is to be the first of its kind in Maharashtra and also in the North and West region of the country. Mr. Prashant handed over this recognition certificate to Dr. Shashank Joshi, who accepted this on behalf of the institution. In the valedictory function, Dr. D M Thakore, the Organizing Secretary, thanked the participants for their enthusiastic and keen learning attitude and sustaining it for this five day of rigorous FDP. He highlighted the significant achievement of the institution and emphasized on the importance of such initiative and how well it helps in dissemination knowledge and creating a progressive and updated fraternity of faculty members, thereby

enhancing the quality of teaching to the students
