‘Workshop on Enhancement of Inner Confidence for Girls’

Women Cell of Bharati Vidyapeeth (Deemed To Be University) College of Engineering has organized a program ‘Enhancement of Inner Confidence for girls’ by P&G on inner confidence for female students of our college on 26th February 2019. This program was conducted in two sessions.

The program was designed by P&G # My Way to build girl student’s confidence by making them feel and look good. The main objective of the program was to prepare girl students to chase their dreams. This workshop was taken by Ms. Kranti Jangamwad, Marketing co-ordinator P&G. Over 30 female faculty and 80 girl students actively participated in the workshop.

The program’s first session started at 12 noon. with the introduction of a women cell faculty coordinator and student coordinator. The speaker was felicitated by Mrs. Arundhati Shinde, head Department of Electronics.

Felicitaton of Ms. Kranti By Prof. Arundhati Shinde

She started her presentation by sharing views of different college going girl students and their self-deceptive image formation because of their look and the way they feel about themselves. She also shared success stories of Kaplan Chawala, Hima Das and Lilly Singh.

Through her interactive conversation, she made students aware of the importance of the first impression. She also covered topics of feeling good (emotional wellbeing) and looking good (grooming and hygiene). She provided information about appropriate steps to maintain the hygiene by choosing the right product.

Female faculty and Girl students

Interaction with the Students

In the second session called experience zone where students visited the company stall installed near Central Library building.

They received free samples of some brands and purchased some which were exclusively made available on student offer.

Overall workshop sessions were interactive and well taken by faculty and all girl students.
